Scholarship or bursary applications for January intake can be based on student's trial/ forecast results. If the actual results do not meet the minimum scholarship or bursary entitlement, BERJAYA University College reserves the right to withdraw the scholarship or bursary. However, if the actual SPM results are better than the trial/forecast results, the student is eligible to appeal for an upgrade of scholarship quantum.

This will be under the discretion of BERJAYA University College.

Note: The student's actual result MUST meet the minimum entry requirements set by the University College.
