Setting the bar for impeccable service through a career in global hospitality.

Be Poised

Master the art of serving in style in the prestigious arena of world-class hospitality.

The world of global hospitality has evolved tremendously in the last few decades and customers today are highly discerning and demand only the best in service. Hence, only those trained with a keen sense of understanding towards meeting this demand will be able to thrive in this exciting industry.

At the School of Hospitality

Our tailored curriculum ensure students fully grasp the concept of world-class customer satisfaction at all levels.

We constantly pitch our students into real-world industry competitions to supercharge the honing of their skills. As a result, we are proud to state that they have won numerous national and international accolades and awards on both national and international levels over the years, besting even professional industry players in the food and beverage industry.

We believe that our students are a cut above the rest because of our learning methodology that offers a dynamic combination of experiential education opportunities through the classroom, our five-star campus facilities, as well as through extensive real-world industry and competitive exposure.

It is our guiding philosophy and practice to bring out the best in every young aspiring hospitality professional under our wing, so that they will raise industry standards and be an invaluable asset wherever they go.

This is why the School of Hospitality graduates are distinctively composed, dignified, self-assured, and very much sought-after even before they graduate. If a cultivated career in the prestigious world of hospitality is what you desire, enrol now and let the School of Hospitality be your training ground!

The Berjayan Advantage

Berjaya Immersion Methodology

What Our Students Say

"It was the BERJAYA Immersion Methodology that convinced me to take up the courses here. The emphasis of "learning by doing" has moulded me to be an independent thinker. It is a unique feature that differentiates BERJAYA UC from other universities and university colleges. "

Rachel Tan Su Ping
Bachelor of Hospitality Management (Hons)

"Throughout the time I've spent in BERJAYA UC, I've gained priceless experiences, knowledge and skills. Thanks to BERJAYA UC and encouraging lecturers, I won 3rd place in the Nescafe Milano Coffee Championship 2013. The exposure and skills gained from joining competitions gave me confidence and the drive to succeed in all my undertakings."

Stephanie S'ng Sze Yi
Diploma in Hotel Management

Beverage study was my favourite subject that has given me a platform and opportunity to take part in many competitions. My lecturers are also my mentors. Whenever we need guidance, they are always ready to give us advice based on theories and their own experiences as well. They are always supportive during competitions and our classes are conducted in a very interactive way. I enjoy practical classes the most as we get hands-on experiences and through this we learn much more than we can ever learn from just books and theories."

Lim Daw Son
Bachelor of Hospitality Management (Hons)

Grooming Champions

Winning is an attitude we cultivate at the School of Hospitality. However, we don't strive to win just for winning's sake, we work towards fostering within our students a true passion and dedication to master their craft competently, and it shows in the poise, confidence and grace by which they continuously sweep up award after award, many a time besting even industry professionals with decades of experience under their belt. At the School of Hospitality, we strive to groom champions and we are committed to do so for many years to come!
